

Tuesday June 16th

Heavenly Father, we bring before You believers in Eritrea who follow Christ amid hardship and persecution. Strengthen our brothers and sisters with Your Holy Spirit as they worship You in secret. Give courage and hope to all Christians who are imprisoned in desperate and inhumane conditions, never knowing when, or if, they will be freed. We pray that the light of Your word will overcome the darkness in Eritrea, so that all who believe in You can worship without fear, for we ask it in our Saviour's glorious name. (John 8:12)

Amen.' (Book of Common Prayer)

Islamist violence against Christian communities in north-eastern Democratic Republic of the Congo shows no sign of coming to an end. An online poster released by an Islamic State-supporting source in early 2026 stated that the massacre of Christians took place "after they refused to embrace faith or pay their jizya". Fighters from Islamic State Central Africa Province regularly demanded that Christians convert to Islam, pay the jizya tax as dhimmi (subjugated people), or face death. In just one incident in February, 21 believers were killed in the Lubero District of North Kivu. Ask the Lord to deliver His people from their enemies, from those who rise up against them (Psalm 59:1).

Pray for Colin & Anne Yeneralski

Wednesday June 10th

In late 2025 the Maldivian parliament passed the Maldives Media and Broadcasting Bill, which strengthens restrictions on press freedom and freedom of speech. The law bars any content considered contrary to Islam, and permits a new commission to issue warnings or fines for non-compliance. The public practice of Christianity and the sharing of the Gospel are already illegal in the Maldives, which requires all citizens to be Muslim and enshrines Islam as the state religion. Because of this, Christians in the Maldives are predominantly secret believers. Please intercede for our Maldivian brothers and sisters as they live under repression and hostility.

Pray for Ada Chan & family

Thursday June 11th

Our brothers and sisters in Nepal face extreme poverty, social stigma, exclusion and disadvantage because of both their "low-caste" status and their faith in Christ. Barnabas Aid project partners are providing schooling and vocational training, as well as shelter for at-risk girls and women who have suffered abuse. Pray that this work will continue to be a blessing to marginalised Nepali Christians, lifting believers out of poverty and strengthening the Church.

Over the past several years the Chinese Church has become subject to increased restriction and regulation, including the stipulation that church leaders must be those who "love the motherland, support the leadership of the Communist Party of China, (and) practise the core values of socialism". The result is that the official Three-Self Protestant Church enjoys less freedom, while unofficial "house churches" are more likely to be targeted by the authorities. Continue to pray for wisdom and clarity for Christians in China, that they will be able to navigate legal restrictions as they seek to serve the Lord faithfully.

Pray for Peter & Mary Jones

Father God, we pray for our Church family in Saudi Arabia, who dare not speak openly of their love for You. We give thanks for the small but growing number of converts, who live under the constant threat of discovery and imprisonment. Please protect them and strengthen them in the certain knowledge that the Lord God is with them wherever they go (Joshua 1:9). We ask that the Holy Spirit will open the hearts of the Saudi people to the Gospel, and they will find truth and hope in our Lord Jesus Christ, in whose mighty Name we pray.
